

HOUSEHOLD HAZARDOUS WASTE TRAINING

The Atlantic Canada Chapter of SWANA is hosting a 1-Day Household Hazardous Waste Training Course.

This training will take place:

Tuesday June 18, 2019 from 9:00 a.m. to 4:00 p.m.

At the:

Pictou County Solid Waste Administration Building
220 Landfill Road, Mount William, Nova Scotia

This course is designed for anyone who may work with or encounter hazardous materials at HHW depots, events, illegal dumpsites and waste management receiving facilities.

Topics covered by the Terrapure Instructor will include:

- TDG Introduction/Overview
- Packing of Lab Packs
- Identifying Hazards and Unknowns
- Personal Protective Equipment
- Emergency and Spill Response

Attendees will receive a Certificate of Training following the successful completion of the course.
